

2021 Annual Report

In 2021, Our Community Foundation became the newest Indiana Community Foundation. After years of extensive review of the affiliation relationship and the needs of Daviess County, the County Services Committee for the Daviess County Community Foundation agreed that it was in the best interest of the community to establish a new foundation, and to follow the separation procedures outlined in the Community Foundation Alliance's Bylaws. In August, Our Community Foundation's 18-member Board, formerly known as the County Services Committee for the Community Foundation Alliance, began to do the official work of the newest Community Foundation serving Daviess County, Indiana.

The Board's formal agreement with the Community Foundation Alliance was approved in late November, opening the door to communication with you and providing specific requirements leading to the transfer of funds established for Daviess County. The Board is dedicated to meeting the conditions outlined in the agreement so Daviess County's generous donors and charitable organizations, who are our friends and neighbors, may be served by Our Community Foundation.

The Board is building a strong Community Foundation for Daviess County. Please join us by calling (812) 698-5413 or visiting our website at www.localforever.org. Thank you sincerely for your support and for your commitment to our Daviess County community.
